

METAL-JET

This comprehensive range offers the best in quality, made from chrome-plated brass, with lots of details that really make a difference. Brass guarantees high resistance and durability and the chrome-plating preserves the shine of the products over time, avoiding oxidation. Claber's Metal-Jet range is composed of a variety of products – tap connectors, automatic couplings, connectors, flow diverters, spray nozzles and pistols – all with Quick-Click couplings, making them compatible with plastic automatic couplings too. Metal-Jet connectors also have 6 internal spheres to guarantee automatic connection and a perfect seal. The screw collar with an exclusive Claber design profile distinguishes the product and improves the grip. The adjustable multipurpose pistols combine robust metal parts with an ergonomic plastic grip, helping you to select the best jet for all of your gardening needs.

3/4" M (20-27 mm) THREADED ADJUSTABLE TWO-WAY ADAPTER

9601

Adjustable two-way adapter, 3/4" (20-27 mm) thread, in chrome-plated brass.
Independent water flow adjustment on the two lines. Secure fit on taps with 3/4" (20-27 mm) thread.
Used to install two electronic timers, pressure reducers, etc.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9601		4	14,5 x 12 x 5	22,5 x 15,5 x 13,3	0,005	1,97	400	8 000625 096015

ADJUSTABLE TWO-WAY TAP CONNECTOR

9602

Two-way connector in chrome-plated brass.
Used to connect up two lines fitted with Quick-Click automatic couplings to just one water outlet.
Taps adjust independently.
Secure fit on taps with 3/4" (20-27 mm) thread.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9602		4	14,5 x 12 x 5	22,5 x 15,5 x 13,3	0,005	1,53	400	8 000625 096022

1" (26-34 mm) TAP CONNECTOR WITH 3/4" (20-27 mm) ADAPTER

9603

Tap connector in chrome-plated brass.
For connecting automatic couplings to the tap.
Female 1" (26-34 mm) thread and 3/4" (20-27 mm) adapter.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9603		10	7 x 12 x 3	19,5 x 19,3 x 8,5	0,003	1,14	1440	8 000625 096039

3/4" (20-27 mm) TAP CONNECTOR

9604

Tap connector in chrome-plated brass.
For connecting automatic couplings to the tap.
Female 3/4" (20-27 mm) thread.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9604		10	7 x 12 x 3,6	19 x 16 x 9,3	0,003	0,64	1800	8 000625 096046

1/2" (15 - 21 mm) TAP CONNECTOR

9605

Chrome-plated brass tap connector.
For connecting automatic couplings to the tap.
Female 1/2" (15 - 21 mm) thread.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9605		10	7 x 12 x 2,4	19 x 12,8 x 8,5	0,002	0,54	2160	8 000625 096053

TWO-WAY CONNECTOR

9606

Two-way connector in chrome-plated brass.
Connects two hoses with automatic couplings in series.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9606		10	7 x 12 x 2	19 x 12,8 x 8,5	0,002	0,70	2160	8 000625 096060

THREE-WAY CONNECTOR

9607

Three-way connector in chrome-plated brass.
Splits the irrigation line into two different directions.
Connects three hoses with automatic couplings.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9607		8	7 x 12 x 1,9	19 x 12,8 x 8,5	0,002	1,16	1728	8 000625 096077

1/2" M (15 - 21 mm)
CONNECTOR**9608**

Chrome-plated brass connector with 1/2" (15 - 21 mm) male thread.
For connecting any sprinkler or accessory with 1/2" female thread to the Quick-Click system at the water inlet.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9608		10	7 x 12 x 2,6	19 x 12,8 x 8,5	0,002	0,55	2160	8 000625 096084

3/4" M (20 - 27 mm)
CONNECTOR**9609**

Chrome-plated brass connector with 3/4" (20 - 27 mm) male thread.
For connecting any sprinkler or accessory with 3/4" female thread to the Quick-Click system at the water inlet.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9609		10	7 x 12 x 2,8	19 x 12,8 x 8,5	0,002	0,62	2160	8 000625 096091

1/2"-5/8" AUTOMATIC COUPLING**9610**

Automatic coupling for 1/2" (12,5 mm) - 5/8" (15 mm) diameter hoses in chrome-plated brass. Equipped with 6 internal bearings to guarantee automatic connection and perfect seal. The tightening ring nut with an exclusive Claber design profile distinguishes the product and improves grip.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m ³)	weight (kg)	pcs/pallet	
9610		8	7 x 12 x 3	19 x 16 x 9,3	0,003	0,92	1440	8 000625 096107

1/2"-5/8" AUTOMATIC COUPLING W/STOP**9611**

Automatic coupling for 1/2" (12,5 mm) - 5/8" (15 mm) diameter hoses in chrome-plated brass. Provided with an automatic water stop valve. Fits onto the end of the hose. Disconnect the coupling to stop the water flow. Equipped with 6 internal bearings to guarantee automatic connection and perfect seal. The tightening ring nut with an exclusive Claber design profile distinguishes the product and improves grip.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m ³)	weight (kg)	pcs/pallet	
9611		8	7 x 12 x 3	19,5 x 19,3 x 8,5	0,003	0,93	1440	8 000625 096114

3/4" AUTOMATIC COUPLING**9613**

Automatic coupling for 3/4" (19 mm) diameter hoses in chrome-plated brass. Equipped with 6 internal bearings to guarantee automatic connection and perfect seal. The tightening ring nut with an exclusive Claber design profile distinguishes the product and improves the grip.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m ³)	weight (kg)	pcs/pallet	
9613		8	7 x 12 x 4,5	19,5 x 19,3 x 8,5	0,003	1,15	1152	8 000625 096138

3/4" AUTOMATIC COUPLING W/STOP**9614**

Automatic coupling for 3/4" (19 mm) diameter hoses in chrome-plated brass. Provided with an automatic water stop valve. Fits onto the end of the hose. Disconnect the coupling to stop the flow of water. Equipped with 6 internal bearings to guarantee automatic connection and perfect seal. The tightening ring nut with an exclusive Claber design profile distinguishes the product and improves the grip.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m ³)	weight (kg)	pcs/pallet	
9614		8	7 x 12 x 4,5	19,5 x 19,3 x 8,5	0,003	1,18	1152	8 000625 096145

1/2"-5/8" MENDER**9612**

Mender for 1/2" (12,5 mm) - 5/8" (15 mm) diameter hoses in chrome-plated brass. Repair a damaged hose: cut the hose at the point where the leak is and use it to join the two sections together. The tightening ring nut with an exclusive Claber design profile distinguishes the product and improves the grip.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m ³)	weight (kg)	pcs/pallet	
9612		8	7 x 12 x 3,3	19 x 16 x 9,3	0,003	0,74	1440	8 000625 096121

3/4" MENDER**9615**

Mender for 3/4" (19 mm) diameter hoses in chrome-plated brass. Repair a damaged hose: cut the hose at the point where the leak is and use it to join the two hose lengths together. The tightening ring nut with an exclusive Claber design profile distinguishes the product and improves the grip.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m ³)	weight (kg)	pcs/pallet	
9615		8	7 x 12 x 4	19,5 x 19,3 x 8,5	0,003	1,16	1152	8 000625 096152

SPRAY NOZZLE
WITH ADJUSTABLE JET

9620

Spray nozzle with adjustable jet: from fully open to fully closed (mist or concentrated). Made from chrome-plated brass. Quick-Click coupling.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9620		8	14,5 x 12 x 2,8	22,5 x 15,5 x 13,3	0,005	1,20	800	8 000625 096206

BASIC METAL PISTOL

9619

Chrome-plated metal spray pistol. Flow adjustment lever and exclusive device for selecting and fixing the desired jet. Quick-Click coupling.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9619		5	14,5 x 20 x 3,1	19 x 16,5 x 24,5	0,008	1,20	280	8 000625 096190

SPRAY PISTOL

9621

Spray pistol in chrome-plated metal. Rubber ergonomic grip. Water flow adjustment lever and lock for desired jet. Quick-Click coupling.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9621		4	14,5 x 18 x 3,5	19 x 16,5 x 24,5	0,008	1,40	224	8 000625 096213

8 PATTERNS
MULTIFUNCTION PISTOL

9622

Multifunction pistol in chrome-plated metal. Rubber ergonomic grip. Water flow adjustment lever and lock for desired jet. Turn the ring nut for 8 different spray patterns. Quick-Click coupling.

code	packaging	qty	pack size (cm)	box size (cm)	volume (m³)	weight (kg)	pcs/pallet	
9622		4	14,5 x 21 x 6	19 x 16,5 x 24,5	0,008	1,5	224	8 000625 096220

IMPACT METAL-JET SPIKE

9623

Chrome-plated metal pulsating sprinkler for 0° to 350° sector irrigation or 360° continuous rotation. Mounted on a metal spike for fixing securely into the ground. Provided with diffuser screw for uniform irrigation and deflector to lower the height of the jet if necessary. Option to connect two sprinklers in line (using the 3/4" threaded outlet).
Operating pressure 1-3 bar.
Maximum irrigated area 500 m².

Bar	m ²	Ø m	l / min
1,0	255	18	8
2,0	415	23	11
3,0	500	25	16

code	packaging	qty	pack size (cm)	box size (cm)	volume (m ³)	weight (kg)	pcs/pallet
9623		3	14,5 x 31 x 6	32 x 11 x 18	0,006	1,20	210

COMPLETE WITH ACCESSORIES FOR EVERY TYPE OF CONNECTION AND USE, THE METAL-JET RANGE IS THE BEST CHOICE FOR THOSE LOOKING FOR DURABILITY AND STRENGTH.

OPTION FOR CONTINUOUS ROTATION OR IN 0°-350° SECTORS

PERFECT STABILITY THANKS TO THE METAL SPIKE
